Mission Statement:

The Port Moody Art Association fosters a creative environment, in which our members may enrich their artistic development. The PMAA promotes awareness and appreciation of visual art in the community, by presenting exhibits of our members' original works. The PMAA endeavours to balance the artist's right to freedom of expression with our commitment to our membership, our patrons, and to The City of Port Moody.

The Port Moody Art Association membership is open to residents in School District #43, which consists of Port Moody, Coquitlam, Port Coquitlam, Anmore and Belcarra, B.C.

Applicants must be sixteen years of age or older.
